

Congratulation Message of Ministry of Martyrs and Disabled Affairs on arrival of holy month of Ramadan

Ramadan is month of mercy, sacrifice and forgiveness. In this holy month the door of Allah is open for his servants and they can request help and forgiveness. While help of God is much more in this month, we servants of God also have religious and humanity responsibilities toward needy people, which have to took their hand and help them in this holy month. Ministry of Martyrs and Disabled Affairs while congratulated arrival of Ramadan and provision of complete and constant peace all over the country, wanted from all institutes and charity organizations to help for heirs of martyrs and people with disabilities in this holy month.

Heirs of martyrs and people with disabilities are the real victim of war and keeper of country. They give sacrifices due to defense from complete land, independency, territory and national values and have rights on all of us to take their hand, assist them and honor their victims.
